

November Feature Holiday Budget Planning

The holiday season is right around the corner. To avoid starting January in the red, create a realistic budget and stick to it. For tips on preventing overspending, read [Budgeting for the Holidays](#).

Remember: the holidays are not about what you buy but about spending quality time with loved ones. Read [Simple Pleasures to Bring You Close as a Family Over the Winter Holiday Season](#) and [Creating New Family Traditions](#) for more ideas on making the most of the holiday season with your family and friends.
