Obligation

I do, of my own free will and accord, solemnly and sincerely promise–on my sacred honor–that I will never reveal–by word or deed–any of the business of this United Brotherhood– unless legally authorized to do so. I promise to abide by the Constitution and Laws–and the will of the majority–observe the Bylaws and Trade Rules and that I will use every honorable means–to procure employment for brother and sister members. I agree that I will ask for the Union label– and purchase union-made goods–and employ only union labor– when same can be had. And I further affirm and declare–that I am not now affiliated with–and never will join or give aid–comfort–or support to any organization that tries to disrupt the United Brotherhood of Carpenters and Joiners of America or any of its affiliates. I pledge myself to be obedient to authority–orderly in the meetings–respectful in words and actions–and charitable in judgement of my brother and sister members. To all of this I promise and pledge my most sacred word and honor as long as I remain a member of this Brotherhood.

Being admitted to membership, I agree to be bound by the above Obligation of the United Brotherhood of Carpenters and Joiners of America, which I have read. I further agree that if it is found at any time that I have made false statements of any kind on this application that my membership shall be declared void and all monies paid by me shall be forfeited.
